

Shine

Verse 1

Your word is truth
A lamp to guide us
By grace we've found
This narrow path

We're marching forward
Toward salvation
Our every step
Is in your hands

Pre chorus

Your word is a light unto all who will call out your name
Jesus
Your word is alive it was you from the dawning of time
A light in the darkness

Chorus

Shine
We will walk in light that never fades
Let your glory shine
As our lives reflect your mighty name
Jesus you are life
We're your sons and daughters of light in the darkness shine

Verse 2

Your word has power
To pierce the darkness
This mighty sword
Cuts to the heart

We fight not flesh
But in the spirit
Fearless we stand
In Jesus' name

Verse 3

Your word was there
When time awakened
The universe
At your command

Your word remains
Our solid anchor
Eternal God
Unchanging love
