

Watch and Pray

Verse 1

Give us strength as we watch and pray
And prepare for the coming day
Let us be there when you call
Not in slumber shall we fall

Pre Chorus

The day of trial comes
We wait on you
This body's weak
Your spirit's strong

Chorus

Father God
Who art in heaven
Hallowed be your name
We pray your will be done
Give us the strength to stay
Your grace unending
With you beside
We'll watch and pray

Verse 2

Give us peace as we watch and pray
In your presence not astray
Let us take up our cross
Seeing victory in loss

Verse 3

Give us joy as we watch and pray
It's our strength through every day
Your salvation we're holding to
Holy Spirit guide us through
